# SENIORS AND THE

**Maybe you  
belong in  
the Guard.**

**EARN UP TO \$25,000 WHILE YOU LEARN**

## **Congratulations!**

Graduating Seniors of Palmetto High School from your local unit of The Florida Army National Guard. Battery C 1st Bn 114th Field Arty, Palmetto, Florida.

## **What lies ahead for you?**

Soon you'll be getting out of high school. All of a sudden you're going to have new responsibilities. Like holding down a job. And working with people on a day-to-day basis. You'll find you must develop skills and personal qualities to help you get ahead in life. And you may wonder how.

One way is to join the Army National Guard.

In the Army Guard you prove to yourself and others that you're a truly responsible person. Because you'll be doing something extra to help your country and community.

And the great thing about the Guard is you still can enjoy regular civilian life. That's because the Guard is a part-time instead of a full-time military job.

**Why not take another big step and join some of your friends, do something different, earn while you're doing it, and still enjoy civilian life and pursuits.**
